

Fidelity - Confirmation of 2025 Required Minimum Distribution - Harold J. Abernathy IRA (deceased 07/14/2025)

To the beneficiaries: our records show the account owner (DOB 03/02/1946) satisfied his 2025 required minimum distribution in full on 02/14/2025 (\$88,640.00). No year-of-death RMD remains for 2025.

Because the account owner had reached his required beginning date, each designated beneficiary must take annual RMDs beginning in 2026 (based on the beneficiary's single life expectancy) and must empty the account by 12/31/2035 (10-year rule, Treas. Reg. 1.401(a)(9)-5).
