

Rosa (mom) - 2025 support - Maria's figures

Her room - we figured fair rent $\$800/\text{mo} \times 12 = 9,600$

Food share approx $350/\text{mo} = 4,200$

Her medical (copays, rx, dentist) = 3,400

(Medicare B taken out of her SS - 1,223 incl. above)

Clothes, phone, church, misc = 2,600

TOTAL her support ~ 19,800

She paid from her SS: her medical 3,400 + clothes/misc 2,600

+ gives us 300/mo sometimes (~?) -> call it 6,300 total

Rest of her SS goes to her savings at Broadway Bank

We paid the rest ~ 13,500

She has no other income. No pension. - M.
