Prior-year preparer notes (PY WP)

PY WP: Kids' income small and only interest/dividends -> Form 8814 elected for both (nothing added to parents' income since each child < \$2,700). RSU shares: Northshore's broker reports \$0 basis - always use FMV at vest from the equity supplemental statement. WA - no state return; WA capital gains excise not triggered. FYI: Grace mentioned hiring a nanny in Sept 2024 - ask about payment method / household employment in 2025 interview.
