

Vanguard - Beneficiary Transfer Confirmation - Account of Eleanor M. Jensen (deceased) Traditional IRA ****2208

Dear Mr. Jensen,

As sole primary beneficiary and surviving spouse, you elected to treat your late wife's IRA as your own. On 10/20/2025 the assets (\$418,902.66) were transferred directly to your Vanguard Traditional IRA ****6620.

Because this was a direct trustee-to-trustee transfer to a spousal beneficiary, it is not a distribution and no Form 1099-R will be issued. The transferred amount will not appear in box 2 of Form 5498 for your IRA.

Future required minimum distributions will be based on your own age (your first RMD year is 2026).
